

The Salon Professional Academy establishes a criterion regarding the transfer of credit hours earned from another school as listed below:

All accepted transfer hours will be credited at the end of the program. A possibility exists that no transfer credit will be granted. Students transferring from another franchise location of Salon Professional Education Company will be placed into an existing class based on level of completion recorded on their transcript. Courses with an 85% or higher grade will be eligible for transfer hour's credit with a maximum of 100% of the student's completed hours allowable for transfer in general education chapters. Tuition balances do not transfer from one school to another.

A student wishing to transfer may be accepted to an educational course / program after carefully evaluating the student's academic records. Each transfer is evaluated on an individual basis in accordance with the Texas Occupations Code Section 1602.455 and Texas Administrative Code 83.74. A possibility exists that no transfer credit will be granted. The Academy does not accept transfer hours for the Instructor Training 500-hour or the Instructor Training 750-hour programs.

Texas Occupations Code Section 1602.455-Transfer Hours of Instruction requires:

- In order for the hours of instruction to be transferred, a transcript showing the completed courses and number of hours certified by the school in which the instruction was given must be submitted to the executive director.
- In evaluating a student's transcript, the executive director shall determine whether the agreed tuition has been paid. If the tuition has not been paid, the executive director shall notify the student that the student's transcript cannot be certified to the school to which the student seeks a transfer until proof is provided that the tuition has been paid.
- On evaluation and approval, the executive director shall certify in writing to the student and to the school to which the student seeks a transfer that:
 - the stated courses and hours have been successfully completed and
 - the student is not required to repeat the hours of instruction.
- If a private beauty culture school license has been expired for more than 30 days, a student of that school may not transfer hours of instruction the student completed at that school.
